

Vitamin E Mixed Tocopherols & Tocotrienols - Product number B023 - 100 Vecaps Renewed, extended formula.

Description

Combination of natural d- α -tocopherol, mixed tocopherols (β , γ , and δ) and mixed tocotrienols (α , β , γ and δ). Tocotrienols, like tocopherols, are forms of Vitamin E.

The natural vitamin E oil is incorporated in this product in a base of sunflower oil and starch. The natural oils are absorbed into the micropores of the starch. This powder form contains a finely divided and stable form of Vitamin E.

Vitamin E contributes to the protection of cells against oxidative damage.

Ingredients and% Reference Intake per capsule:

Natural tocopherols:

d-alpha-tocopherol 135 mg (200 i.e.) 1125%

d-beta, d-gamma and d-delta tocopherols 25 mg
