

Coenzyme Q10 100 mg - Product number B028 - 100 softgels, emulsified

Description

Coenzyme Q10 (CoQ10) or ubiquinone Q10 is a fat-soluble substance that occurs naturally in our diet and in all cells of our body. CoQ10 is involved in the normal energy production of the cell. The molecular structure is related to vitamin E and vitamin K.

NOTE: These new softgels with 100mg emulsified Coenzyme Q10 replace the old 30mg Coenzyme Q10 capsules.

Ingredients per capsule:

Coenzyme Q10 (ubiquinone) 100 mg

Soy lecithin (emulsifier) 35 mg

In a base of vegetable soybean oil.

Capsule shell: bovine gelatin, colored with iron oxide.

These capsules do not contain gluten, milk proteins or lactose.

Note: Store at room temperature and in a dry place. Close packaging well after use.

Use and warnings:

Adults take 1 capsule daily with meals, or as advised by an expert. Do not exceed recommended dosage. Keep out of reach of children. Do not use in hypersensitivity to any of the ingredients in this product. A dietary supplement is not a substitute for a balanced diet.
