

Acetyl-L-Carnitine 500 mg - Product number B030 - 100 Vegicaps

Description

Carnitine is mainly synthesized in the liver and kidneys from the amino acids lysine and methionine. It plays a role in the transport of fatty acids from the cytosol into the mitochondria for beta oxidation. Acetyl-L-carnitine is a form of carnitine with high bioavailability.

Ingredients per Vegicapsule:

Acetyl-L-Carnitine 500 mg

Excipients: none.

Capsule wall: HPMC.

Usage and warnings:

Adults take 2 to 3 capsules per day, separated from the meal. Do not exceed recommended dosage and keep out of reach of children. Do not use in hypersensitivity to any of the ingredients in this product. A dietary supplement is not a substitute for a balanced diet.
