

Coenzyme Q10 KANEKA UBIQUINOL™ 50 mg - 60 softgels

Description

Product number B069 - Reduced coenzyme Q10 UBIQUINOL 50 mg - 60 softgels

Coenzyme Q10 in its reduced form: KANEKA UBIQUINOL™. This product from top manufacturer Kaneka North America LLC guarantees a stable quality of ubiquinol. Ubiquinol occurs in all human cells and is involved in normal energy production. The molecular structure of ubiquinol is similar to that of vitamin E and vitamin K.

Ingredients per 2 softgels:

Reduced Coenzyme Q10 (Ubiquinol) 100 mg

Fillers: d-limonene oil, caprylic acid, capric acid, alpha lipoic acid. Capsule shell: bovine gelatin of controlled, bse-free quality, glycerine, purified water.

Usage and warnings:

Adults take 1 softgel twice a day with meals or as advised by an expert. Do not exceed recommended dose and keep out of reach of children. Do not use in hypersensitivity to any of the ingredients in this product. A nutritional supplement is no substitute for a varied diet.
