

Boron 3mg

Description

Product number B078 - 100 tablets

Boron is a trace element that occurs naturally in the diet and body of humans. The highest concentrations of boron are found in the bones, nails and hair. This food supplement from BioVitaal contains boron in the form of boric acid. Boric acid is easily absorbed in the gastrointestinal tract and is the most abundant form of boron in the blood and tissues.

Ingredients per tablet:

Boron (as boric acid) 3 mg (elemental)

Fillers: microcrystalline cellulose, rice starch. **Anti-caking agents:** diglyceride, vegetable stearic acid, silicon dioxide, vegetable magnesium stearate.

Use and warnings: adults take 1 tablet per day with meals or according to the advice of an expert. Do not exceed recommended dosage. Keep out of reach of children. Do not use in hypersensitivity to any of the ingredients in this product. A nutritional supplement is no substitute for a varied diet.
