

L-Lysine 500 mg

Description

Product number B080 - 100 Vegicaps

This BioVitaal product contains the essential human amino acid lysine in the physiologically useful form L-lysine. Lysine is incorporated into various human proteins and enzymes and thus fulfills many functions. Lysine also plays a role in the binding of vitamin B6, biotin and alpha-lipoic acid to the active site of enzymes and is necessary for the biosynthesis of carnitine.

Ingredients per 2 vegetarian capsules:

L-Lysine-HCl 1000 mg

Filler: microcrystalline cellulose. **Anti-caking agents:** vegetable magnesium stearate, silicon dioxide.

Capsule shell: hydroxypropyl methyl cellulose (HPMC).

Use adults:

1 or 2 times a day 1 vegicap, half an hour before or two hours after a meal with water, unless otherwise advised by an expert. Do not exceed recommended dosage. Keep out of reach of children. Do not use in hypersensitivity to any of the ingredients in this product. A dietary supplement is not a substitute for a varied diet.
