

Dietary supplement B103 *Solidago virga aurea* - 100 tablets

Goldenrod (*Solidago virgaurea*) originates from the Arab world and has also been used in Europe since the Middle Ages. This product contains a modern, dry herbal extract (standardised nebulisate). *Solidago* supports normal kidney function.

Ingredients per 2 tablets:

- *Solidago virgaurea* (Goldenrod) 4:1 extract 400 mg
- This extract is standardised to > 4% flavones. Two tablets (daily dose) contain at least 16 mg flavones.
- Fillers: vegetable magnesium stearate, rice starch, maltodextrins (corn), microcrystalline cellulose.
- Anti-caking agent: silicon dioxide.

Use and warnings:

Adults take 1 tablet twice daily or as advised by a professional. Take with sufficient water. People who are hypersensitive to the Compositae or Asteraceae plant family may not tolerate *Solidago*. Do not use during pregnancy and lactation. Do not use if you are hypersensitive to any of the herbs or other ingredients in this product. Do not exceed the recommended dosage. Keep out of reach of children. A dietary supplement is not a substitute for a balanced diet.
